RAID IN SINGLE OR IN COOPERATION. Take risks alone or gather in a group of up to 4 people and be sure that the minions of Hell will always be ready for you. Get ready to meet ..... with Adam. Adam by nature is your worst enemy.

His only desire is your death. If you are alone, then you have a chance of survival. But if you are in a group, then most likely you will die in the next three hours.

Actually, Adam is not evil as you might think, but it is his choice. He was so angry that he had to become Adam. Adam hates Hell, but at the same time he is an integral part of it.
